

 **Veterinary Nurse / Veterinary Assistant – Cat Rescue & TNR Program**

 *Location: Udomsuk neighborhood in Bangkok*

Organization: Bangkok Cat Society (BCS)

We are looking for a compassionate and skilled **Veterinary Nurse/Assistant** to support our daily operations. If you care about cats and want to make a real difference, join us in reducing stray cat overpopulation through humane care.

Job Responsibilities:

- Prepare cats for surgery and assist during spay/neuter procedures
- Monitor anesthesia and post-operative recovery
- Administer medications, vaccines, and parasite treatments
- Support TNR program (trapping coordination, data, recovery, return)
- Assist in transferring cats from traps or cages when they arrive and when being returned to the field
- Maintain accurate medical records
Ensure overall cleanliness of the facility—including disinfecting cages, traps, and recovery areas, as well as daily and deep cleaning of floors and surfaces
Follow sanitation protocols to prevent disease spread
- Spend time with in-house cats for their emotional wellbeing, socialization, and to help prepare adoptable cats for loving homes
- Participate and assist at community activities and mobile clinic events

Requirements:

- Like cats
- Experience with handling cats
- Calm and compassionate, positive attitude
- Comfortable in a fast-paced environment and working as part of a team player
- Good communicator

Work Schedule: 40-48 hours per week

Pay rate: depending on experience
