

Sal Forest, Thailand's first sustainable business research company is looking for candidates to fill the following position:

Researcher

Responsibilities

- Conducting research on sustainable business topics and contributing to social impact assessments
- Writing articles and sharing knowledge on Sal Forest's Facebook page and website
- Working as part of a team at workshops, seminars, and events

Qualifications

- A bachelor's degree or above, preferably in Economics, Finance, Business Administration, or a related subject
- At least two year of work experience in a field related to Sal Forest's areas of expertise (see www.salforest.com) (experience gained during undergrad is acceptable)
- Strong interpersonal skills and a willingness to work as part of a team
- A passion for research and learning about sustainable business, as well as social and environmental issues
- Strong analytical thinking skills
- Not afraid of math
- A talent for summarizing and catching the main point while reading and researching
- Good command of written English and fluent in written and spoken Thai
- Flexible, self-reliant, and attentive to details
- A preference for working in a small organization
- Thai nationals only

Work Format : Our standard operating hours are Monday-Friday, from 10:00 AM to 6:00 PM, with weekends designated as days off.

Employees are afforded the opportunity to work both from our office premises and remotely. However, it is stipulated that employees must be present at the office for two days each week.

Office Location

Our corporate headquarters are situated at Sukhumvit 43, BTS Phrom Phong.

.
